ABOUT ME

I'm a Passionate UX/UI Designer with a strong background in user research, prototyping, and interaction design. Skilled in Adobe XD, Figma, and the full Adobe Suite. I thrive in collaborative environments and aim to align my career growth with innovative and forward-thinking companies.

EXPERIENCE

UX/UI Design Specialist 2024 - 2025

Nerdware

- Developed UX/UI prototypes based on user research insights and collaborated closely with developers to ensure seamless functionality.
- Worked alongside the design team to maintain brand consistency (CI) across client projects.
- Presented prototypes to clients to align designs with their expectations and gather actionable feedback.

Marketing Assistant | UX/UI Designer 2020-2024

Unlimited Technologies (formerly Fördel Technologies)

- Task management, Client relationship management and problem-solving.
- Created UX/UI prototypes, conducted user research, and collaborated with developers for design functionality.
- Facebook advertising, branding, and logo design.

Owner 2018 - 2020

Eagle Stationary

- Managed all operations, sales, and customer service for small business.
- Strategic business development and inventory management.
- Built and maintained strong client and supplier relationships.
